Mrs. Dunakin has been quite sick. Miss Ethel Aronhalt Sundayed in Ottawa.

Meet your friends at Tatcher & Alexander's. Mrs. Culter, of St. Paul, visited last week with Mrs. Warner.

Don Edwards, an old Erie boy, is now president of a bank in Kentucky.

Dr. Cragg has moved his office to the old Bailey bank building.

Sheriff Yockey stepped on a nail a few days back and has had a sore foot as a result.

Supt. Sailors will locate in the city of Stark and start a bank at the expiration of his term of office.

The Austinites are trying to get the Neosho bridge at that thriving burg. A bridge there would be a great convenience to the locality.

The French coach horse Tresorier will make the fall season at the Farmers' Feed Barn, commencing July 1st. \$12 to insure a living colt. \$5 for single service.

Amix & McAndrew have purchased a new Denmore typewriter. The Chanute Mill Co. recently bought a new one but traded it off and have ordered another. The Denmore seem to be taking the lead in this field.

W. E. Craig and mother of Galesburg, were in Chanute Monday, doing some trading. Mr. Craig has finished his winter term of school and will go to Emporia to attend the Normal during the spring and summer term.

Fred Hetrick is asking for bids on his new opera house. Fred is going to erect a play house of which the city will be proud. It will be situated away from the railroad so a person can enjoy an entertainment without being disturbed by the everlasting clang clash of the trains.

Mr. Grebe and Mr. Abbott have both resigned their places on the council. They have each been efficient, honest and faithful officers and the town can ill afford to lose their services, but each feels he cannot afford to make the sacrifices necessary to continue this arduous and thankless job. Their places should be filled by the best available men.

In Bad Company at Least.

Maurice Dutton, of this city, son of Sam Dutton, was arrested in Iowa a few days ago and taken to the Crawford county jail, charged with burglarizing the station agent at Walnut. Young Dutton was accompanied to Walnut by Harvey Greene, of Iowa. Dutton says they were at Walnut and got short of money, and that Young Greene said he would make a raise in a game of craps.

Dutton says he went off somewhere and finally came back with money and gave him two dollars. We hope young Dutton can prove his contention. It hardly seems possible that this young boy who has grown up here in the city is going to develop into a common burglar.

We are told that he is a great cigarette smoker and a constant reader of "Diamond Dick" stories. These two

Twenty Years of Heart Disease.

Dr. Miles' Heart Cure Cured Me.

Dr. Miles' Heart Cure cures heart disease. It has positively no equal in that regard. The fluttering, palpitation and heart pains readily disappear before its magic influence; the shortness of breath, the frightful smothering spells, vanish after a short course of treatment; the pulse beats become strong and regular, the circulation is improved so that the veins are charged with healthy, pure, life-giving blood carrying strength and health to every nerve and muscle and replacing the dead tissue with solid flesh.

For eighteen years I suffered from heart trouble. The least excitement caused severe fluttering and palpitation and at night smothering spells would frequently cause me to sit up in bed for breath. Beside the frequent physical pains I was constantly in an agony of apprehension lest it might bring about my sudden end. I began taking Dr. Miles' Heart Cure and experienced almost immediate relief from my former disagreeable symptoms. I believe that my cure is permanent because I have not had occasion to use the Heart Cure for six or seven years, which time has elapsed since I quit taking the Heart Cure. As a household remedy I keep Dr. Miles' Anti-Pain Pills in the house all the time. I consider the Dr. Miles Remedies fully as good as they are recommended to be and I trust that you may live many years for the sake of humanity. —R. T. Hixson, Chehalis, Wash.

Population of Missouri, Kansas and Nebraska Combined

not so great as the sale of LEWIS SINGLE RINDER Cigars and other brands of the Lewis factory during 1902 (Internal Revenue Count)—cigars sold—5,801,300.

Population of Missouri.....	3,306,665
Population of Kansas.....	1,470,595
Population of Nebraska.....	1,068,559
Total.....	5,845,819

The Lewis Single Rinder factory, Peoria, Ill., sold 155,601 more cigars than there are people in these three great states. Greatest year's sales in the history of the Lewis Single Rinder factory. Reliable quality brought the business.

things combined are enough to ruin the mind of any young boy if persisted in and we fail to understand why parents suffer their boys to persist in such ruinous and degrading habits.

A few years in the reform school would be heroic treatment but if that is necessary to break up the habits, it had better be applied.

CONTRACT LET.

The contract for our new electric light plant was finally let, last Friday night by the council to the General Electric Co. of Kansas City, for \$30,973. There were a number of bids in but as the representatives of this company were the lowest, they were awarded the contract. This question of an electric light plant has been before the council for a long time now, and has cost them a great deal of time and hard labor.

The intention is to have a well lighted city soon as the plant can be put in, and according to the contract all material and work are to be first class in every particular. We have long needed a thorough system of lighting and everybody will rejoice when it is finally secured.

SALARIES INCREASED.

BIDS WANTED.

Sealed proposals will be received by Mr. Fred Hetrick, Chanute, Kansas, up to 5 o'clock p. m. on the 6th day of April, 1903, for the erection and completion of a three story 60x135 ft. opera house in Chanute, Kansas, according to plans and specifications prepared by Garstang & Rea, Architects, 204 Groom Bldg., Joplin, Mo., which will be on file in the architect's office or may be had of the owner, Mr. Fred Hetrick, Chanute, Kansas.

The right is reserved to accept or reject any or all proposals.

THEY OBEYED INSTRUCTIONS.

One day last week, says the Sedgwick Pantagraph, a couple of girls over at Halstead went to the livery stable and asked for a gentle horse, as they wanted to drive out in the country a few miles. The man gave them one and told them the horse would be all right if they kept the rein from his tail. When they returned in the evening he asked them if they had had any trouble. "Oh, no," said one, "there was a little shower, but we had an umbrella and we took turns at holding it over the horse's tail, so there was not a drop of rain touched it and we got along all right." That explains the dazed look the liveryman has been wearing the past few days.

HAVING A RUN ON CHAMBERLAIN'S COUGH REMEDY.

Between the hours of eleven o'clock a. m. and closing time at night on Jan. 25th, 1901, A. F. Clark, druggist, Glade Springs, Va., sold twelve bottles of Chamberlain's Cough Remedy. He says, "I never handled a medicine that sold better or gave better satisfaction to my customers." This Remedy has been in general use in Virginia for many years, and the people there are well acquainted with its excellent qualities. Many of them have testified to the remarkable cures which it has effected. When you need a good, reliable medicine for a cough or cold, or attack of the grip, use Chamberlain's Cough Remedy and you are certain to be more than pleased with the quick cure which it affords. For sale at Brown's pharmacy.

PRICES THAT ARE LOW

While others are advertising great slaughter sales of goods, our business is moving along in a very satisfactory manner.

It has never been our policy to sell our goods at two profits a part of the year and then mark them down to a legitimate profit and make a big bluff and blow about a slaughter sale. We always try to get a fair profit, and never ask any more.

However, during our invoice in the Shoe department, we discovered that we were overstocked in some lines, and until these goods are sold out we are making especially low prices. If you need shoes it will pay you to see us.
